

# Mayor's Message

A Message from Mayor Crystal Meloche

July 14, 2023

Hello residents of LaSalle,

There are always a lot of scheduled activities happening around town in the summertime, and here are some other ways to stay active this summer.

## LaSalle Trails

Many of our trails offer some reprieve from the hot summer sun by offering places to step into the cool shade of trees. Check out Brunet Park for some 'off the beaten path' sections of trail that offer coverage that can help make your outdoor adventures a little bit cooler. Use our trail map to help find all the trail locations around town, [www.lasalle.ca/trails](http://www.lasalle.ca/trails)

## Canoe Docks

Canoe and kayak paddlers can find canoe launch docks available at Vince Marcotte Park, north of the pedestrian bridge over Turkey Creek, at the Vollmer Complex retention pond, Riverdance at LaSalle Landing waterfront, and River Canard Park (bring your own equipment). If you are new to paddling, resources to keep you

safe on the water can be found at [www.paddlecanada.com](http://www.paddlecanada.com)

## LaSalle Dog Park

If you are looking for a place to allow your dog to run and play off-leash with the company of other dogs, visit the LaSalle Dog Park. The park is open year-round during daylight hours and is located south of the Town of LaSalle Public Works Department within the Vollmer Complex Property. A reminder that all dogs must be on a leash once you leave your property or before entering the dog park. For more information visit [www.lasalle.ca/dogpark](http://www.lasalle.ca/dogpark)

## LaSalle Parks

There are over twenty parks throughout LaSalle. Park amenities include outdoor tennis and pickleball courts, playgrounds, basketball courts, soccer fields, splashpad, outdoor pool, and more. Take turns visiting them all throughout the summer. More information can be found at [www.lasalle.ca/parks](http://www.lasalle.ca/parks)

## LaSalle Council Meeting

The next Regular Meeting of LaSalle Council is Tuesday, July 25. Join us in person or watch along on the Town's YouTube channel.

## Water/Wastewater Billing

The residential water and wastewater bills were mailed out at the beginning of this month. The due date is Friday, July 28. Many payment options are available. Visit our web page to find out more, [www.lasalle.ca/waterbilling](http://www.lasalle.ca/waterbilling)

## Customer Service

Customer service is important to our Town. If you have questions or comments about a LaSalle municipal service, program, or facility, submit your request anytime. The link for this portal can be found at [www.lasalle.ca/customerservice](http://www.lasalle.ca/customerservice)
