A Message from Mayor Crystal Meloche

April 14, 2023

Hello residents of LaSalle,

The waterfront in LaSalle has a new name, LaSalle Landing. The process to name the 60-acre development along the Detroit River began in the fall of 2022. The name was decided by Council at the April 11 Regular Meeting of Council. Having a name to distinguish this area gives us the ability to brand the waterfront. When I look at the word 'landing', its where we started, where we began. My hope is that the waterfront brings people in, to land in LaSalle. I invite you to visit www.lasalle.ca/waterfront to view the full project and check back as the LaSalle Landing project develops.

Top 100 Festivals and Events Award

LaSalle Council and administration were honoured to accept the Top 100 Festivals and Events award at the Regular meeting of Council earlier this week. A huge congratulations to our team, and thank you to Darren Winger from the Ministry of Tourism, Culture, and Sports who presented the

award to the Town on behalf of Festivals and Events Ontario. This event would not be possible without the collaboration from all departments within the Town, so great job, Team LaSalle!
